

FOR IMMEDIATE RELEASE

TORONTO, December 7, 2006 – Wilfred J. Hahn, President and Chief Investment Officer, Hahn Investment Stewards and Company Inc. announced today the appointment of Davee Gunn to Chief Executive Officer.

Davee joins Hahn Investment Stewards with more than 25 years experience in the financial services industry. In her role as CEO, Davee will focus on the strategic and business development of Hahn Investment Stewards.

“We are very pleased to have someone with Davee’s experience and depth to lead these initiatives as our company grows,” said Hahn.

Hahn Investment Stewards is a Canadian investment firm specializing in global portfolio management services for private clients and institutions. The firm has established the longest track record in Canada managing balanced ETF portfolios “i-WRAPs™” through separately managed accounts (SMA). With 9 different existing i-WRAPs™ portfolio mandates, Hahn Investment Stewards has a proven track record of delivering superior tax-efficient, risk-adjusted returns at a much lower cost than the average mutual fund or other discretionary investment management services.

“i-WRAPs™ offers risk management and tactical portfolio diversification lead by the former head of Canada’s largest global investment management organization”, said Gunn.

“Global investment management expertise delivered in a cost effective, tax-efficient manner makes i-WRAPs™ the better choice for individual investors and institutions”, she added.
